Subject: September 5, 2006 Memo

Dear Mr. Apaid,

I am in receipt of your memo. We will review your information, however, I can say that you should expect our decision to remain consistent with what we communicated to you on 8/30/06 that we will plan to phase out of production at your facility by 12/31/06. As I have stated, we will make every reasonable effort to make the transition as smooth as possible for both companies. Unless you can provide any written confirmation of a long term commitment to you, on behalf of Russell, I would ask that you begin to think about how we can help you manage the transition to phase production out. I look forward to hearing from you.
